

I'm not robot!

Students will plot points on a coordinate plane to create an image of an animal. 5 different worksheets included, a penguin, crab, shark, sea turtle, and a butterfly. Uses positive and negative numbers, points graphed in all 4 quadrants. Good to reinforce the skill, as part of a learning station, or for practice. A great extension or extra credit activity, but also great for regular class and homework. A fun way for students to practice the skill and get immediate feedback. To get this as a DIGITAL Page 2 With 75 vocabulary terms to search for, this would be a great fun-when-done worksheet to wind up the school year. Or send your students home with it for a vacation activity. The terms are hidden in all directions and there may be some overlaps making this definitely a challenging puzzle. The 75 hidden vocabulary words are: Air Conditioner, August, Backpacking, Barbecue, Barefoot, Baseball, Beach, Berries, Boat, Camp, Canoe, Daisy, Dive, Fan, Find, Fins, Firefly, Fishing, Flip Flops, Flowers, FoPage 3 Build It Alphabet Letter Mats are a FUN, hands on way to explore and learn all about letters, how to write letters (letter formation), letter sounds, and strengthen those fine motor muscles too. These are perfect for morning tubs, fine motor tubs, small group, early finishers, table time, arrival activity, or a center activity. The manipulatives will fit exactly on the cards! Build directly on the mats. Create task cards by printing the cards smaller. Students use the mat as a guide and build the Page 4 Play Dough mats are a fun way for students to build math, literacy skills, and fine motor strength! Students roll the playdoh into snakes to form the shapes, letters, and numbers. Students can also trace it with a dry erase marker or build it with small manipulatives or mini erasers. Put the playdoh mats in an art center, math center, writing center, fine motor center, play dough center, or use them for small group. Just print, laminate (or put in a page protector), and you are finished! Keep Page 5 Are you looking for fun and engaging activities for your students to do throughout the year? Well, you have found it! This amazing set contains word searches, crossword puzzles, math, literacy, brain teasers, and SO much more. Save money with this NO PREP FUN BUNDLE GET! Currently, this includes 17 of my no prep resources for Back to School, Fall, Halloween, Thanksgiving, Winter Express, Christmas, Winter, New Year's, Valentine's Day, St. Patrick's Day, Spring, Earth Day, Easter, Cinco de Mayo. Page 6 This flamingo classroom theme bundle is one of the most fun, bright, and unique ones to date! All of the resources included in it are 100% editable, printable, and digital, which make this a great option for all kindergarten, 1st, 2nd, 3rd, 4th, and 5th-grade teachers, but especially those that change grade levels often, teach in a language other than English, or teach remotely or through a hybrid model. Tons of resources are included in this flamingo decor bundle ranging from Google Classroom hePage 7 Fluency Cards - Fast Fluency Fun Zoom Reading Cards Zoom Cards Set 1 - letters, sounds, word families (vc, cvc words, blends, cvcc, cvcc, consonant digraphs, words with digraphs, nasal sounds, words with nasal sounds. These cards will help your students work on their reading fluency in a easy-to-prepare packet! On each card, students can record how long it took them to read from beginning to end, on each day of the week - perfect for take-home learning or homework. The cards are sequenced for phonics Page 8 This set of 10 Color Songs includes all major colors (red, orange, yellow, green, blue, purple, pink, white, brown, black). They are all sung to popular tunes, so both the teacher and the students will learn them very quickly. While singing, students will spell the color words (fabulous letter naming practice!) and associate every day objects that represent each color. Hang these posters in the classroom, bind them together in a class book for your classroom library, and send a copy home to paPage 9 This LARGE 66 page diagraph packet has something for everyone. Many different activities to learn CH, SH, TH, PH, KN, and WH. Posters, matching, games, crafts, little books, cut and pastes, color by sound, say and write the words, and sorts. The hands on activities and crafts for each 6 diagraphs are perfect for students to learn. It makes learning fun!! Also, a self checking easel sort. Page 10 Pop It Fidget Bubble Alphabet Build It Letter Mats are a FUN, hands-on way to explore and learn all about letters, how to write letters (letter formation), letter sounds, and strengthen those fine motor muscles too. These are perfect for morning tubs, fine motor tubs, small group, early finishers, table time, arrival activity, or a center activity. Students then use the mat as a guide and build the letter in the pop it. You can also bind the mats to create a book or place the mats on a book ring. Page 11 Make It Alphabet Letter Mats are a FUN, hands on way to explore and learn all about letters, how to write letters (letter formation), letter sounds, and strengthen those fine motor muscles too. These are perfect for morning tubs, fine motor tubs, small group, early finishers, table time, arrival activity, or a center activity. Small manipulatives like MINI ERASERS, glass gems, candy, cereal, and pom poms fit exactly on the cards! Build directly on the mats. Create task cards by printing the cards Page 12 Meet Twirl, Curl, and Clever! They are the Bossy R Triplets! They love teaching your students all about how they boss around the vowels and make them say the "r" sound. They brought along a few different activities to help your students practicing reading, writing, and building words with er, ir, and ur. Here is what is currently included: Twirl, Curl, and Clever craftivities: students can make the triplets-Er, Ir, and Ur puzzles: students put together puzzles for er, ir, and ur. These are perfect Page 13 Engage your upper elementary students in reviewing key language and grammar skills with these fun color-by-number review activities! Included are 6 color-by-number grammar worksheets for reviewing and practicing the following skills: parts of speech, synonyms, homophones, prefixes, suffixes, and root words, contractions, and antonyms. Great for back to school or end of the year review! The level of grammar skills addressed in this set is ideal for grades 4-6, but could also be used to challenge Page 14 This activity bundle is perfect to engage your students during the month of December. It includes book extension activities, crafts, centers, games, interactive notebook pages, a fun elf hat, language arts printables, worksheets, math activities, stations, and SO MUCH MORE! Included Activities: Mooseltoe by Margie Palatini (problem and solution) Mooseltoe Craft, comprehension questions, writing activity (making connections), Visual Images - Draw your favorite part of the story, Describe Moose Tacky Page 15 Halloween Worksheets - Your 1st, 2nd, and 3rd grade classroom or home school students are going to love these printable worksheets for October. Math and literacy topics include tallying, ABC order, syllables, hard and soft C sounds, nouns, verb tense, rhyming, contractions, adjectives, subject & predicate, homonyms, writing, spelling, addition, subtraction, missing addends, and MORE! Great for morning work, early or fast finishers, seat work, sub tub, review, and more. Activities include: WhiPage 16 Christmas Math Quadrilateral Nutcracker: Looking for an art + math lesson for the holidays? Use my easy Quadrilateral Nutcracker lesson to teach or reinforce quadrilaterals. Included are a fun art project, quadrilateral train yard (subsets), visual handout, and higher-level thinking worksheets. The nutcracker is made up of parts made only from members of the quadrilateral family--squares, rectangles, parallelograms, rhombuses, and trapezoids. I have included all of the colored examples you need t Page 17 Playdoh Alphabet Letter Mats are a FUN, hands on way to explore and learn all about letters, how to write letters (letter formation), letter sounds, and strengthen those fine motor muscles too. These are perfect for morning tubs, fine motor tubs, small group, early finishers, table time, arrival activity, or a center activity. Make your own or buy play dough from the store! Sculpt directly on the mats. Create task cards by printing the cards smaller. Students use the mat as a guide and sculpt the Page 18 Road Alphabet Build It Letter Mats are a FUN, hands on way to explore and learn all about letters, how to write letters (letter formation), letter sounds, and strengthen those fine motor muscles too. These are perfect for morning tubs, fine motor tubs, small group, early finishers, table time, arrival activity, or a center activity. Student drive a small car directly on the mats. You can also bind the mats to create a book or place the mats on a book ring.
